

## CALL FOR EXHIBITORS

On behalf of the NIME 2009 Committee, we invite you and your company to be a part of the Ninth International Conference on New Interfaces for Musical Expression, June 4-6, 2009.

For commercial vendors and music technology corporations, the NIME 2009 Exhibition Hall offers an unparalleled opportunity to become involved with the fast-growing NIME community.

Important and innovative work done in the industrial sector will receive the same prominent placement as research from academic institutions, all centrally located in an easily-accessible building on Carnegie Mellon's campus.

This is your opportunity to interact with both presenters and attendees, share information about your company's products and research specialties with a target audience of music and technology researchers, students and enthusiasts from across the globe.

NIME 09 will provide power, Wi-Fi connections and basic table covers and skirts. To offset the cost of these services, the following rates for booth rental apply:

- Daily rate \$750 (two day minimum)
  - 5-day rate: \$2500
- The rates also include:
- for a two day rental — one free full registration to NIME
  - for a five day rental — two free full registrations to NIME
- regular cost for each full registration: \$350*
